

IRF 2022 LEADERSHIP INSIGHTS FORUM

November 6-8, 2022 Fairmont Olympic Hotel, Seattle, Washington

The 2022 IRF Leadership Insights Forum is targeted to executive level third party and end user decision-makers with responsibilities for engagement and motivation programs. During the two-day experiential event, 60 attendees will have access to pre-released IRF research and participate in a series of insightful facilitated discussions. You'll have the opportunity to discuss best practices, access top research, and collaborate with your peers to elevate your programs using design and data.

The Leadership Insights Forum will include several functions where attendees can network and experience the best Seattle has to offer incentives professionals. The Leadership Insights Forum is a can't miss networking event for any company looking to spend dedicated time and develop lasting relationships with the leaders of the incentives industry.
